## On Deck

Location: New York, NY

Founded in 2007, On Deck focuses on financing for small businesses - a concept familiar to the expanding company. While experiencing success, On Deck was faced with the challenge of maximizing their office space in Midtown Manhattan to fit the needs of a growing workforce, while maintaining the vibrant branding & collaborative culture of the organization. Workwell utilized benching, flexible collaborative areas and stackable chairs to help meet the needs of the space for years to come.
