

POPPY™ CHAIR

HAWORTH®

The gentle shape and soft edges of the Poppy chair create a residential aesthetic in spaces designed for remote workers, conference rooms, waiting areas, and home offices.

- + Soft edges and a flexible back enhance comfort
- + Multiple base options, including 5-star base, 4-star base, wooden base, and a 4-leg base
- + Standard Haworth chair

Designed by Patricia Urquiola

When Haworth sought a design partner to help bring our vision for the future of active, informal environments to life, we knew it could only be Patricia Urquiola. Born and educated in Spain and headquartered in Italy, Patricia is a true visionary—her unconventional yet welcoming buildings, furniture and objects for the home have won awards and admirers the world over.
